

Architectural floor plan of a building with dimensions in meters (m). The plan shows a rectangular building with a total width of 10.34m and a total depth of 7.03m. The building is divided into several rooms and corridors. The top-left room is 2.94m wide and 2.03m deep. The bottom-left room is 1.2m wide and 4.76m deep. The right side of the building is 6.79m wide. The plan includes various wall thicknesses, door openings, and furniture like beds and desks. Dimensions are provided in meters (m).

Technical drawing of a mechanical assembly, likely a pump or motor unit, showing dimensions in millimeters. The drawing includes a cross-section of the unit and a side view of the motor assembly.

Dimensions (mm):

- Overall width: 2.52
- Overall height: 2.52
- Motor assembly width: 0.97
- Motor assembly height: 0.04
- Motor assembly depth: 0.16
- Motor assembly width (inner): 0.52
- Motor assembly height (inner): 1.6
- Motor assembly depth (inner): 0.92
- Motor assembly width (outer): 1
- Motor assembly height (outer): 1.41
- Motor assembly depth (outer): 0.31
- Motor assembly width (total): 3.6
- Motor assembly height (total): 1.09
- Motor assembly depth (total): 6.1
- Motor assembly width (total, including base): 1.15
